1. Purpose & Authority

This Official Tournament Rulebook (“Rulebook”) governs all competitive play within IronClad Tournaments (“ICT”) for **Company of Heroes 3**.

Its purpose is to ensure:

- Competitive integrity
- Fair, consistent adjudication
- Safe and respectful participation
- Transparent tournament operations

This Rulebook operates alongside the **Player Participation Agreement (PPA)**, which serves as the primary legal contract between Players and ICT.

In case of conflict between this Rulebook and the PPA, the **PPA prevails**.

All decisions made by Tournament Administrators (“Admins”) are **final and binding**.

2. Tournament Structure Overview

ICT events follow the structure below unless explicitly modified in the official announcement.

2.1 Game Title Company of Heroes 3 (CoH3), owned by SEGA/Relic Entertainment.

2.2 Format The event will operate under one of the following formats, as specified in the official event announcement:

1. 1v1 Locked Faction Format (A)
 2. 1v1 Side-Based Format (B – No Mirror Matches)
-

3. Eligibility & Team Requirements

To participate, Players must:

3.1 Age

- Be **18 years or older.**

3.2 Accounts

Players must maintain:

- A valid Steam account
- A legal copy of CoH3
- A Discord account
- A Battlefy account

3.3 Team Structure

- Each Team must consist of **exactly two (2) Players.**
- One Captain & one Co-Captain must be designated.

3.4 Region Declaration

Teams must provide:

- Region (EU / NA / LATAM / ASIA / OCEANIA)
- Country of residence

This is required for proper hosting assignment and latency fairness.

3.5 Account Integrity

Prohibited:

- Account sharing
- Smurfing
- Player substitution without approval
- Multiple registrations

Violation results in disqualification.

4. Registration & Entry Fees

4.1 Registration Platform

Registration is performed **exclusively through Battlefy**.

4.2 Entry Fees

- Entry fees are paid **directly on Battlefy** through secure STRIPE link payment.
- ICT staff will **never** request payments via DM.

4.3 Refunds

Entry fees are **non-refundable**, except if:

- The Organizer cancels the tournament
- A catastrophic technical failure prevents event operation

4.4 Legal Compliance

By entering, Players confirm that their participation:

- Is permitted under their local law
- Does not qualify as gambling
- Meets all applicable contest/sweepstakes guidelines

ICT events are **skill-based competitions**, not games of chance.

4.5 Registration Procedure

To participate in an IronClad Tournament, all teams must complete the following registration steps:

Step 1 – Create or Log Into Your Battlefy Account

Players must create a Battlefy account at <https://battlefy.com> or log into an existing one.

Step 2 – Review the Tournament Overview and Complete Payment

On the tournament Battlefy page, read through the **Overview** tab and click the **Stripe Payment Link**. A secure Stripe payment page will open in a new window.

Step 3 – Captain Payment Requirement

Only the **Team Captain** is required to complete the payment.

This single payment covers the **entire team**.
No additional payments are required from teammates.
The Captain's payment is the official registration payment for the whole team.

Step 4 – Submit Payment Confirmation in Discord

Once payment is completed, the Captain must:

1. Take a screenshot of the confirmed payment, and
2. Submit it via a ticket in the Discord channel **#open-ticket**,
3. Include the **team name** that will be used for registration.

Important:

The team name must remain **consistent** throughout the registration process and during the entire tournament.

Step 5 –Receive Your Unique UNION CODE

After verifying payment, ICT Staff will issue a unique UNION CODE directly to the registered player.

This code must be used during Battlefy registration to unlock the tournament enrollment form.

Note:For 1v1 tournaments, no team invitation step is required. The UNION CODE is assigned directly to the participating player.

Assistance can be requested by opening a ticket in the official ICT Discord server.

Step 6 – Complete Registration

Players must complete the registration form on Battlefy using the provided UNION CODE.

Registration is complete once the player has successfully joined the tournament.

Step 7 – Wait for Bracket released

Once the bracket is released, players may begin coordinating and playing their matches as described in Section 5.

5. Match Availability & Scheduling

NOTE: This tournament does not require a formal check-in process. Match availability is determined by bracket release.

5.1 Bracket Release

Once the tournament bracket is released and marked as live on Battlefy, all matches become available to be played immediately.

Players may begin coordinating and playing their matches as soon as the bracket is published.

5.2 Match Completion Window

Players are given the full period between bracket release and the scheduled Grand Final to complete all matches.

This period will typically extend until the final weekend of the month, as specified in the official event announcement.

Examples:

- If the bracket is released on the 5th of the month, players will have until the scheduled Grand Final to complete their matches.
- If the bracket is released on the 16th, players will still have until the scheduled Grand Final to complete all matches.

5.3 Player Responsibility & Availability

By participating in the tournament, players confirm that they are available to compete within the designated tournament window.

- Fixed-Time Commitment: The Grand Final is a fixed-time event. No extensions will be granted for the Final.
- Scheduling Responsibility: Players are responsible for actively coordinating with their opponents and completing matches within the allowed timeframe.
- Zone Neutrality: The tournament operates on UTC (Coordinated Universal Time). Players are responsible for calculating their local time.

· The "3-Hour Buffer": All matches leading up to the Grand Final must be completed and reported at least three (3) hours prior to the scheduled Final start time. Failure to do so may result in a Double Disqualification (DDQ) or an Admin-awarded decision.

5.4 Match Coordination Guidelines

Players are expected to contact their opponent within a reasonable timeframe after the bracket is released or after advancing to the next round.

- Initial Contact: Players should initiate contact within 24 hours.
- Scheduling: Players must propose suitable time slots and work collaboratively to schedule matches.
- Unresponsive Opponent: If a player does not respond within 48 hours, the active player may request Admin assistance.
- Admin Intervention: Admins may assign a match time or make a ruling if players fail to coordinate within the allowed timeframe.

6. Game Version, Platforms & Publisher Compliance

6.1 Game Version

All Matches use the most recent official patch available at event start.

6.2 Platforms

- PC (Steam version only)
- Voice via Discord (optional)
- Tournament management through Battlefy

6.3 Publisher Compliance

ICT acknowledges SEGA/Relic as the owners of CoH3. ICT tournaments comply with:

- CoH3 EULA
- CoH3 Terms of Use
- Publisher Community Tournament Guidelines

ICT is **not affiliated** with SEGA/Relic unless stated otherwise.

7. Tournament Format

Format (A)

7.1 Faction Selection (Locked Factions – 1v1)

- Players must select one (1) faction during registration, which is locked for the entire tournament.

- No faction switching is allowed at any point during the event.
- Mirror matches are explicitly permitted, meaning both players may use the same faction (e.g., USF vs USF), provided they selected that faction at registration.

7.2 Match Structure

- Early Rounds: Best of 3 (Bo3)
- Semifinals: Best of 3 (Bo3)
- Grand Final: Best of 5 (Bo5)

7.3 Victory Conditions

- Matches are played in 575 VP Mode unless otherwise announced.

7.4 Result Validity

A Match is only considered valid when:

Played with standard settings:

- Mode: 1v1
- VP: 575
- Resources: Standard
- Starting positions: Random
- Cheats: Disabled
- Observers: Observers are allowed with a mandatory minimum delay of 2 minutes.

Format (B)

7.5 Faction Selection (Open Pool)

NOTE: Mirror matches are NOT permitted, as players must play from opposing sides (Axis vs Allies).

- **7.5.1 No Locked Factions:** Players are **NOT** required to pre-register a specific faction. They have access to the full roster of armies during the event.
- **7.5.2 The Two-Side Rule:** While players can choose any specific army, they must strictly adhere to the **Side Restrictions** (Axis vs. Allies) determined by the match flow.
- **Allied Pool:** US Forces (USF), British Forces (UKF).
- **Axis Pool:** Wehrmacht (WEHR), Deutsches Afrikakorps (DAK).

7.6 Start of Match (The Roll-Off) Admins are not required to be present. Players resolve the starting choices in the #Tournament-hub-main or Tournament-hub-challenge channels using the **Dice Bot**.

- **7.6.1 The Command:** Both players must type the command /r and then manually type 2d6 in the message box. This simulates rolling 2 dice with 6 faces, and the result will be shown.

- **7.6.2 The Winner:** The player with the **higher combined number** wins the decision.

Tie-Breaker: If the result is a tie, both players must re-roll again.

- **7.6.3 The Choice:** The Winner chooses **ONE** of the following:
 - **Option A:** Pick Side (Play as Axis or Allies).
 - **Option B:** Pick Map (from the Active Pool).

Note: The tournament map pool consists of all official 1v1 maps available in Company of Heroes 3. Maps outside pool can be picked only if both players agree on it.

Who lost takes the remaining option.

7.7 Match Flow

Match flow follows an alternating system of roll-offs and side swaps.

- Odd-numbered games (Game 1, 3, 5):
A roll-off is conducted following Rule 7.6.3.

The winner chooses either:

- **Option A:** Pick Side (Axis or Allies)
- **Option B:** Pick Map (from the active map pool)

The loser takes the remaining option.

- Even-numbered games (Game 2, 4):

Side Swap: Players **MUST** swap sides.

Free Selection: Players may choose any faction within their assigned side.

Map: The loser of the previous game selects the map.

Examples:

Best of 3 (Bo3):

- Game 1: Roll-off determines Side/Map
- Game 2: Side Swap, loser of Game 1 picks Map
- Game 3 (if needed): Roll-off determines Side/Map

Best of 5 (Bo5):

- Game 1: Roll-off determines Side/Map
 - Game 2: Side Swap, loser of Game 1 picks Map
 - Game 3: Roll-off determines Side/Map
 - Game 4: Side Swap, loser of Game 3 picks Map
 - Game 5 (if needed): Roll-off determines Side/Map
-

8. Hosting, Lobby Rules & Match Start Procedure

8.1 Connection Host Protocol

Host priority determined by:

1. Region proximity
2. Ping stability
3. Disconnect history
4. Team agreement
5. Admin decision (final)

8.2 Lobby Rules

Host must:

- Create a party
- Invite teammate
- Invite opponents
- Select correct map & settings
- Begin only after both Teams confirm readiness

8.3 Lobby Naming

Format:

ICT – TeamA vs TeamB – Round X

8.4 Spectators

Only ICT-approved observers may join.

9. Pauses, Disconnects & Technical Issues

9.1 Pauses

- One pause per Team per Match
- Maximum duration: 5 minutes
- Additional pauses require Admin approval
- Pause reasons must be stated immediately

9.2 Early Disconnect (< 10 Minutes)

- Any disconnect occurring before the **10-minute mark** results in an automatic **Restart**.
- Exception: If a player was clearly about to lose (e.g., base destroyed) before the 10-minute mark, Admins may award the match.

9.3 Late Disconnect (> 10 Minutes)

If a disconnection occurs after 10 minutes, Admins will evaluate the game state. A match will be **Awarded** to the remaining player if **two or more** of the following conditions are met:

- **VP Lead:** The remaining player has a lead of **75 Victory Points** or more.
- **Map Control:** The remaining player controls the majority of Victory Points and maintains a clear resource advantage.
- **Army & Tech:** The remaining player has a significantly higher Army Value or superior Tech Tier that the opponent cannot realistically counter.

9.4 Admin Remedies

- If the criteria in 9.3 are not met, a **Restart** will be ordered.
 - Admins may override a player's consent to restart to preserve the tournament schedule.
 - All Admin decisions regarding disconnections are final and binding.
-

10. Match Reporting & Replay Requirements

10.1 Winner Responsibilities

Winner must post in **#match-results**:

- Winning Team name
- Losing Team name
- Final score
- Screenshot
- Replay file (if requested)

10.2 Replay Storage

Teams must retain all replays until the event concludes.

11. Competitive Integrity, Anti-Cheat & Fair Play

11.1 Prohibited

- Hacks, cheats, modified clients
- Macro/automation tools
- Camera/zoom alteration
- Stream sniping
- Unapproved external assistance
- Collusion or match-fixing

11.2 Cooperation

Players must comply with admin requests for:

- Replays
- Screenshots
- Video recordings
- Settings verification

12. Admin Authority & Match Rulings

Admins may:

- Issue penalties
- Restart Matches
- Adjust brackets
- Award wins
- Remove Teams
- Modify schedules

Admins act to preserve competitive integrity.

All Admin rulings are **final**.

13. Player Behavior & Code of Conduct

Prohibited:

- Harassment, hate speech, discrimination
- Threats or intimidation
- Excessive profanity
- Unsportsmanlike behavior
- Disrupting or delaying Matches
- Public defamation of ICT, staff, or other Teams

Penalties range from warnings to permanent bans.

14. Streaming, Broadcast Rights & Media Usage

14.1 Player Streams

Allowed with:

- **Minimum 2-minute delay**
- No strategic information
- Proper labeling (“IronClad Tournament”)

14.2 Official Broadcast Priority

ICT may designate certain Matches for official broadcast; players must comply.

14.3 Content License

Players grant ICT a **worldwide, perpetual, royalty-free license** to use:

- Gameplay
- Screenshots
- Replays
- Team names
- Player names
- On-stream audio

For marketing, highlights, and promotional material.

15. Prizes, Payouts & Taxes

15.1 Payout Timeline

Within **48 hours** post-event.

15.2 Payment Methods

- PayPal
- Wise
- AU Bank Transfer (Australians only)

15.3 Taxes

Players are solely responsible for declaring prize earnings.

16. Security, Anti-Fraud & Communication Rules

16.1 Security Notice

ICT will **never** request payments via DM.

Report suspicious messages immediately.

16.2 Impersonation

Any attempt to impersonate staff or players results in immediate disqualification and permanent ban.

17. Force Majeure

ICT is not liable for disruptions caused by:

- Server outages
- Platform failures
- Internet instability
- Natural disasters
- Publisher service interruptions
- Government restrictions

ICT may modify, postpone, or cancel events if required.

18. Privacy & Data Protection

ICT collects and uses data for:

- Registration
- Tournament operations
- Payments

- Anti-cheat enforcement
- Marketing of event results

Data will **not** be sold.

Data is retained for **12–24 months** and then may be deleted.

19. Amendments & Version Control

ICT may update this Rulebook at any time.

Changes take effect once published in official channels.

20. Acceptance of Rules

Participation constitutes full acceptance of:

- This Rulebook
 - The Player Participation Agreement
 - Admin authority and final decision-making
-
